MEMORANDUM FOR: Executive Committee Members
Director of Personnel

FROM : Deputy Director of Central Intelligence

1. There will be a short Executive Committee meeting (10-15 minutes) immediately after the 9:00 a.m. staff meeting tomorrow to discuss the following.

2. On 18 October at 10:00 a.m. the DCI and I will lead a briefing/discussion of the SIS system with all available supergrades in the Auditorium. The Office of Personnel and I have some ideas on how this can best be organized and I would like your reactions and suggestions. I believe this is such an important Agency endeavor that I plan to M.C. the session myself. Further, I think it would be appropriate for the Executive Committee and/or the Heads of the five career services to also participate in the session to signal the top management support that will be necessary to make this new system work.
